

MULTIMEDIA PROXY – TERMS OF USE

MULTIMEDIA PROXY is an additional module of the Intelligent DAM Platform which allows the Client to reduce the bandwidth consumption derived from live and on-demand content usage.

1. DEFINITIONS:

“MASTER”: primary license granting the Client Internet access enabling content acceleration.

“SLAVE”: secondary license connected to a Master license enabling the Client to accelerate content.

2. LICENSE

MULTIMEDIA PROXY is set on the number of Master and Slave licenses purchased.

3. FEES

MULTIMEDIA PROXY fee shall include the price for the number of Master and Slave licenses purchased.
